## The 'Omnichannel Credit Union': Not Just 'a Thing' – It's Working, Too!

The challenge: 55% of credit union members have used a product or service from a different bank or financial institution, according to the Credit Union Tracker produced by PYMNTS, in collaboration with PSCU. That means more than half of all credit union members are effectively "comparison shopping."

How do credit unions hold on to their members? As reported at PYMNTS.com:
